HAMLIN, JONES COUNTY, TEXAS, FRIDAY, AUGUST 10, 1945

NUMBER 41

## Ends More Than 4 Yrs. In Famous 36th Division

S/SGT. HERMAN TREADWELL

Four long years, 8 months and 6 days in the famous 36th "Texas" Division, through its training in several camps in the United States, across the ocean, across North Africa, up into Italy, Salerno, Anzio, Rome, Southern France, Germany, Austria, and a flight by plane across the Atlantic to Florida, and finally back to Hamlin is a pretty big gap in the life of any young man. But such has been the record of S/SGT. Herman R. Treadwell, son of Mr. and Mrs. J. L. Treadwell, of Rt. 2, Hamlin. We say Staff Sgt., but in reality it is now "Mr. Treadwell." Herman received his honorable discharge from the Army on 104 well earned points, on July 31.

Herman was born Sept. 22, 1918, and thus was quite a baby when Nov. 11, 1918, brought so much joy to the nation. He grew up in this community, received his schooling at Hamlin High, and graduated from Wayland Junior College, Plainview, in 1939.

When he enlisted in the Army on Nov. 25, 1940, he drew the Field Artillery and was placed in the 36th Division. He trained at Camp Bowie, Texas; Camp Blanding, Fla.; Camp Edwards, Mass., and left the States at Staten Island, N. Y., in April 1943. However, Herman decided he could not leave his "girl" in America, single, so on Nov. 7, 1942, he was married to Miss Loretta Ubben, who was then a teacher in the Ft. Stockton, Texas, schools.

Herman landed in Africa, at Oran, and from then on wherever the 36th went, he was in there with the Field Guns. It would take many pages to give all of this history, but as evidence of his service, he has the Good Conduct ribbon, American Defense ribbon, and the ETO ribbon with the Arrowhead and five bronze stars.

Herman came "across" by C-54 transport to Florida, and this entitled him to membership in the In-

## S. C. Byrd Died Saturday After Long Illness

S. C. Byrd, one of Hamlin's pioneer citizens, passed away at his home on the corner of Sixth Street and Union Avenue, Saturday afternoon at 3:00 o'clock, following a number of years of declining health.

Mr. Byrd was born at Jewett, Texas, Sept. 3, 1879, and was 65 years, 11 months and 1 day of age. He was married to Miss Emma Lynd at Corsicana, Nov. 4, 1906, and they came to Hamlin in 1909. All except 12 years of the time since, when they resided in Shreveport, La., Hamlin has been their home.

Mr. Byrd was an accountant by training and early activities, but with the coming of oil to the Fisher County field, west of Hamlin, he became manager of a casing crew and worked as an oil man until his health broke about ten years ago. He is survived by his wife, one brother, L. S. Byrd, of Mart, Texas; and three sisters, Mrs. Rena Lowe and Mrs. J. I. Needham, of Teague, Texas, and Mrs. Corrie Stewart of Enid, Okla. Only Mrs. Lowe was able to come for the funeral.

Mr. Byrd was converted and joined the Church of Christ in 1915 when a young minister, Foy Wallace, was here holding a meeting. During all these years, the minister and Mr. Byrd have often renewed their associations. Even recently Minister Wallace came and held a conference with the sick man. Mr. Byrd was a very conscientious man, growing more and more confident of his faith as the years came to a close.

Funeral services were held at the Church of Christ Sunday afternoon, Aug. 5, with the pastor, Minister Mardell Lynch speaking. Interment was in Hamlin East Cemetery, with Lawrence Funeral Home of Anson in charge.

## Card of Thanks

We wish to express our thanks to our many friends of the Plasterco community for their kindness and many good deeds shown us in the sad hours of sorrow caused by the death of our darling daughter, LaVerne. We thank you for your tokens of sympathy, many floral gifts, and everything that each and every one did or expressed.

## Marine Warrant Officer Ernest Carl McWright Killed In California

Warrant Officer Ernest Carl McWright, USMC, son of H. A. McWright of Hamlin, was fatally injured in a jeep accident at Mojave, Calif., on Friday, July 27, and died at the Marine Hospital on Saturday, July 28, without regaining consciousness. McWright would have been in the Marine Corps 22 years next September 12. During all of these years, he had been in many dangerous places, and had served far and wide, both in peace times and in war, and came out with but few injuries.

Friday, July 27, he was assisting a Marine pal and his wife by giving them a Jeep ride after they had missed a bus. In the Jeep were four Marines and the wife of one of the men. In some way, the vehicle overturned, fatally injuring McWright, and causing such severe shock that the woman's memory was temporarily lost.

Ernest Carl McWright was born in Alba, Texas, Feb. 14, 1901, and he was married to Miss Esther Craven at Yuma, Ariz., Sept. 15, 1937.

Survivors are the wife and two children, Ernestine, age 6½, and Lawrence C., age 2; his father, H. A. McWright, Hamlin; one brother, J. L. McWright, of the Plasterco community; and five sisters, Mrs. C. B. Stone, Hamlin; Mrs. R. E. Blackwell, Anson; Mrs. J. A. Profit, of Pringle, Texas; Mrs. Paul Goodgame, Hamlin; and Mrs. Gilbert Steinkuehler, Guyman, Okla. All were present for the funeral.

In the long service of Warrant Officer McWright, he had served 11 months on the battleship Mississippi, had earned four battle stars; went to Camp Le Jeune, N. C., as an instructor and Warrant Officer. After this, he was sent back to the Pacific and was in a plane carrying 32 men when it was shot down by the Japs. Ten men were lost and McWright was injured and was hospitalized from Nov. 10, 1944, until April 20, 1945, at which time he was sent to Mojave, Calif., as Provost Marshal. However, while out of the hospital on sick leave, he visited in Hamlin in January 1945, at which time a family reunion was held in his honor.

Those from a distance attending the funeral were Mrs. Will Gallion and Mrs. Munce McWright, of Alba, Texas; Mrs. John Watson, Grand Saline; and Mr. and Mrs. T. W. Johnson and son, Justin, of Weinert, and their daughter of Dallas.

Funeral services were held at the Church of Christ, Friday, Aug. 3, with Minister Bruce Proctor as the principal speaker. The military rites were directed by the American Legion, with a guard of honor from the Stamford organization of Home Guard.

The Barrow Company of Hamlin had charge of burial in Hamlin East Cemetery.

## Miss Beulah Herrington Funeral Wednesday

Miss Beulah Herrington, well known and esteemed in Hamlin for many years, passed away at the St. Ann Hospital, in Abilene, at 8:00 P. M., Tuesday, August 7. She was 59 years, 7 months and 16 days of age.

Miss Herrington has been in poor health for some time and had been critically ill about two weeks. She and her mother resided in Hamlin until 1929, she being chief operator for the S. W. Bell Telephone Co. She held a position in Abilene with the company, and had a total of 25 years of telephone service. She is survived by a sister, Mrs. W. H. Birdwell, formerly of Hamlin, but now of Abilene; and two brothers, J. H. and A. H. Herrington of Tyler.

Funeral services were conducted at the First Baptist Church in Hamlin Wednesday afternoon at 5:00 o'clock, with the Rev. J. Henry Littleton of Anson in charge. Interment was in East Cemetery under the direction of the Barrow Company of Hamlin.

Mrs. Flora Cade of Houston, aunt of Mrs. Florence Morgan and Mrs. O. C. Gilbert, is spending several days here with her sister, Mrs. McMillan, who makes her home with her daughter, Mrs. Morgan.

Phone 241 and tell us your news.

## Another Hamlin Boy Back From Europe

SGT. WELDON J. HUDSON

If we were called on to pick out a soldier man (not boy) who carries in his face the stern determination to finish up a dangerous job, we would stop Sgt. Weldon J. Hudson as soon as he came into sight. Weldon arrived from Germany on Aug. 2, happy that he helped finish a nasty job in old Hitler-land. He is not rich in points, and thus, he is making good time at home with his mother, Mrs. R. M. Hudson, and his sisters, because he must return for reassignment at Camp Cook, Calif., Sept. 3.

Before Weldon went overseas in January 1945, he had worn out the grass around Camp Perry, Ohio; Camp Beal, Calif.; and Camp Bowie, Texas, where he was when he started for Europe. Now he has got to go back to California and start it all over again. Any way, Weldon is not fussing about it.

He is glad to be at home—all in one piece, after landing at Le Havre, France, and twisting and winding his way with the 13th "Black Cat" Armored Division in Combat Command B, through France up to the Rhine at St. Goar to Frankfurt, and around to Nurnberg and Braunau, the birthplace of Hitler (the old boy was not there), and on to the edge of Austria before V-E Day.

Weldon has not started counting points, yet, (only 47), but he was in a unit that received the Meritorious Plaque, and he has two battle stars and wears the Good Conduct ribbon.

Weldon says, "Ah, it was not so bad; see, here I am, fit and fine," just like that. Guess we Hamlin guys can remember that he went through plenty of stuff to keep old Hamlin like he left it. Glad you are "fit," Weldon, and we hope you will be as good when we hear the Japs say, "Honor, please, let's quit." The Black Cat Division captured 20,000 German prisoners in the Ruhr, and took 19,000 more in Bavaria. It captured Hitler's birthplace and liberated 14,000 prisoners of war. That's

## 15 Year Old Girl Drowns In Farm Tank

The Union community, 15 miles southeast of Hamlin, was shocked on last Thursday afternoon when the news spread that a visiting girl, Miss Norma LaVerne Hopper, had been drowned in a farm tank. The girl was a daughter of Mr. and Mrs. E. B. Hopper of the Plasterco community, west of Hamlin. She was visiting relatives in the Union community and had gone swimming with two of her cousins, Virginia and Viva Mayfield. She could swim a little, but when she stepped into ten feet of water, she was unable to reach shore, and the other girls were unable to make a rescue.

Neighbors soon gathered at the tank, and the body was recovered in about one hour by using a seine.

LaVerne was born in Jones County, July 22, 1930. She is survived by her parents, and three brothers, Aubrey Gene, Herbert Leon, and Bobby Ray; grandparents, Mr. and Mrs. Henry Mayfield, Anson; and grandfather, E. B. Hopper, Sr., of Clyde.

Funeral services were held at 5:00 o'clock, last Friday, in the Baptist Church of Anson, with the Rev. C. W. Johnson, pastor of the Plasterco Baptist Church, assisting the Rev. Wayland Boyd of Abilene. Burial was in Hope Cemetery, Anson, under the direction of the Lawrence Funeral Home of Anson.

## Funeral Rites For Mrs. Curtis Belding

Mrs. Curtis Belding, 25, died Saturday at Hobbs, N. M. She had been living at Lovington, N. M. Most Hamlin people, especially those who take their meals at the Morgan Hotel, will remember Mrs. Belding as Miss Lorene Cox, daughter of Mr. and Mrs. C. B. Cox of Lueders, who formerly assisted Mrs. Morgan.

Mrs. Belding was born May 25, 1919, at Desdemona, Texas. She was married in November 1940 in Oklahoma to G. C. Belding. They had been living in New Mexico for two years. Besides her parents and husband, survivors are: a small son, Don Allen; three brothers and two sisters.

Grave side services were held at Stamford, Monday, with the Rev. J. C. Eubanks, minister of the Church of Christ at Lueders, officiating. Interment was in Highland Cemetery in charge of Kinney Funeral Home of Stamford.

why we all honor a member of such an American unit. Congratulations, Old Boy!

We should have told you Weldon is a Neinda boy, born July 24, 1909. He did not get to finish school, for he got impatient to become a ginner. In August 1942, he volunteered for service.

A 1,000 bed Naval hospital is under construction in Houston, Texas.

## Rev. J. T. Crawford Pastor For Nazarenes

REV. J. T. CRAWFORD

Tuesday of this week, Rev. and Mrs. J. T. Crawford, of O'Donnell, arrived to make Hamlin their home. Rev. Crawford will begin his pastorate of the Church of the Nazarene this Sunday. He takes the place of the Rev. Dan D. Jones who recently resigned to accept a pastorate at Artesia, New Mexico.

Rev. Crawford is not altogether a stranger to this section of West Texas, in that he was formerly pastor of the Church at Mt. Zion, 12 miles west of Hamlin. He and his family, which means his wife and one child, Anne Genell, age 8, have a nice church home on Alamo Avenue and will have little trouble in making themselves feel at home in "Friendly Hamlin."

After leaving the Mt. Zion Church, Rev. Crawford pastored a church in Memphis, Texas, for two years, and was with the O'Donnell Church one year. The Memphis sojourn means that he is well acquainted with the Hamlin Methodist pastor, Rev. E. L. Yeats, and also with Rev. B. J. Martin (through the latter's father). So this means that the new pastor will help make a good team with the other Hamlin pastors.

Mr. and Mrs. Roy L. Brown and children, June Anne and Joe Neal, of Andrews, Texas, came Saturday for a two weeks visit here with his parents, Mr. and Mrs. H. E. Brown, and in rule with her parents, Mr. and Mrs. R. B. Neal.

Mrs. Vernon Middleton and two children, Vernon David and little Miss Jan Kay, are returning to their home in Amarillo this week end after being in Hamlin and Rule the past five weeks while her husband is in Caldwell, N. J., in the Curtis Electric Propeller School. Mr. Middleton is connected with the Amarillo Army Air Field.

Mrs. W. H. Pickron, Jr. began work with the Waggoner Drug Co. last week.

## W. H. Butler, Local Mgr. Offering Butane Service

In this week's Herald and all this month, you will notice a formal announcement of the LEWIS WHEAT CO., of Albany, to operate an extended Butane Service in Hamlin, with W. H. Butler as Hamlin Manager. Their advertising carries the FIVE important questions: WHEN? WHAT? WHO? HOW MANY? and HOW GLAD?

Mr. Wheat was in Hamlin last week making arrangements with Mr. Butler, and from what he says, he is going to make Hamlin an important sales center.

No one needs to be introduced to Mr. Butler. He is an old Hamlinite, who goes about his affairs quietly but firmly, strictly business. You should be hearing from Lewis and Butler quite often in the future.

Mrs. O. L. Jenkins and son, John Jenkins and wife and baby, went to Bryan, Texas, last week to see the new baby at the home of Cpl. and Mrs. Ernest N. Jenkins.

Mr. and Mrs. E. R. Richardson of Levelland spent last week in Hamlin visiting her sister, Miss Willie B. White, and friends.

## About Soldiers--Sailors

Pfc. Ellis C. Martinez, son of Sr. and Sra. Alfred Martinez, of South Hamlin, arrived in Hamlin from Europe last week after being in the European fighting 18 months. In all, he has served almost three years in the Army. He has two battle stars, and the ETO and Good Conduct ribbons. Private Martinez will report for reassignment Aug. 13. He has a brother, Ezekiel Martinez, who is serving in the Army in the Philippines. This Mexican boy says, "Maybe I go across another ocean; if I do, hope I see my brother."

## Talked From Italy

Monday afternoon, a New York telephone operator called Mr. and Mrs. Loy Fry to tell them that on Tuesday morning they would get to talk to their son, Cpl. Loy Fry, Jr., who is in the Air Transport Service based in Italy. So that meant a long, anxious wait and a feeling of uncertainty for the Hamlin couple. However, at 9:30 A. M. Tuesday, they were called to the phone and the voice of their only child was heard strong and firm across the miles of space and waters. Loy said, "It is now 4:30 P. M. in Rome, Italy." The ring of the boy's voice was proof that he was feeling fine.

Lieutenant Charles Penzenik and wife, the former Oleta Morris, arrived Saturday to visit their parents, Mr. and Mrs. J. A. Morris. They were married on July 9, in San Rafael, Calif. Lieut. Penzenik has recently returned from the Philippine Islands, and he wears three battle stars. The visit in Hamlin was a part of their honeymoon, making the home stay while the Lieutenant is on his way back to the Coast. Following their marriage, they spent a few days in California and went on to Vermont, the home state of Lt. Penzenik. His wife will make her home with Mr. and Mrs. Morris while he is in the Japan area.

## OKINAWA MARINE AT HOME WITH BATTLE SCARS

Pvt. Raymond Elkins, USMCR, a son of Mr. and Mrs. W. C. Elkins, came in from a California Naval Hospital July 26, but since then he has been too "busy" to permit an interview. His wife and baby live in Stamford, and he has been trying to get the son, Calvin, age 17 months, acquainted with a real Marine Dad. Raymond had bad luck on Okinawa. A bunch of Marines had been pinned down and he was in a detail to cover stretcher bearers who were trying to reach some wounded boys. Raymond says he was not trying to hide in a foxhole when his helmet was ruined and his head on the right side was almost caved in by a Jap bullet. Any way, he does not know what happened to the wounded they were trying to rescue, for his next memories were of a hospital. He received such a concussion and gash on his head that his left side was partially paralyzed. He lost all he had, except a picture of his little son, that some kind buddy picked up and laid on his stretcher. So in time they sent him back to California. Raymond carries a long scar that will add to his balding head some day. But on Aug. 24 he must report back on the Coast.

## PFC. ROMA G. BROWN BACK WITH ARMY DISCHARGE

A very happy-looking soldier of this community was in Hamlin Wednesday, telling his friends that as for him, he was through with this warfare. Pfc. Roma G. Brown, a member of the Third Army, 12th Corps, 93rd Sig. Bn., was stationed at Regensburg, Germany, till his trip started back to Texas. He received his discharge on Aug. 2, backed up by 104 points, well earned and deserved.

Roma is a son of Mr. and Mrs. I. N. Brown, Rt. 3, Hamlin. He is one of the many Army boys from the Swedonia-Plasterco community, and he had been in the Army since Dec. 4, 1941. He was first with the 14th Inf. Reg., and later transferred to the Signal Corps. He received training at Camp Roberts, Calif., before leaving for Alaska and the Aleutians in May 1942. He returned to the States in Feb. 1944, and then on May 2, 1944, he crossed the Atlantic to land in England, later to go deep into Germany.

Roma followed a rather long and round about air route home. At Marseilles, France, his outfit was taken aboard B-17's July 9, to make the jump to North Africa. There they caught a C-54 and headed for America, but it turned out to be South America, and there they discovered they were aboard a plane bound for C-B-I—just a little mix-up in the number of the unit picked up in Europe. So the plane turned around and headed back for Marseilles and left the fellows right where they started from. However, another C-54 picked them up and delivered them safely and soundly to Prescott, Maine, July 22, 1945.

So this two-war, three times across the ocean by air, ex-ground soldier is glad his job is done and is happy to be home. Roma has the Good Conduct, Pre-Pearl Harbor, Asiatic-Pacific, and ETO ribbons, and has one bronze star for the Aleutians and five bronze stars for Europe.

### AGAINST RISING COSTS

The last generation has been the most important in the history of electricity and worth ringing the bell for, because it's during this last era that the use of electricity in America has become so popular, so widespread, so useful, and so cheap.

It's during this last historic generation that most of our electric appliances have come into common use—electric refrigerators around 1925; radios around 1930; electric washing machines and vacuum cleaners in the early twenties; electric roasters and clocks around 1932; and so forth. Their economical use has been made possible through the lowered price you pay for electricity. For it's been during these same years that the price of your electricity has been coming down and has stayed down, even in wartime. For example, if you're the average user of electricity, you are now getting about *twice* the electricity you got fifteen years ago for the same money.

This taxpaying, business-managed company is proud to have brought you these benefits at a lower and lower cost. Only by hard work and farsighted planning have we been able to accomplish these results.

#### Miss Frances Jenkins, Mr. Bobby Rodgers Wed

Miss Frances Louise Jenkins, daughter of Mr. and Mrs. Ernest Jenkins, and Mr. Bobby Edward Rodgers, son of Mr. and Mrs. George D. Rodgers, were married Sunday evening, July 22, at 3:30 o'clock, at the home of Rev. B. J. Martin, pastor of the First Baptist Church. The single ring ceremony was read by Rev. Martin.

The bride wore a white, street-length dress, accented with a corsage of soft pink carnations.

The only attendants were the sister of the bride, Miss Ernestine Jenkins, and Mr. and Mrs. J. C. Riddle.

Following the ceremony, Mr. and Mrs. George D. Rodgers were hosts at a buffet supper at their home, with the members of both families present.

After a short wedding trip to Wichita Falls, Mr. and Mrs. Rodgers returned to Hamlin to make their home.

#### WHEN?

We don't know exactly, but it won't be long now. Materials are daily getting more plentiful. As war contracts are steadily reduced, manpower will be available to build peace-time products once again.

#### WHAT?

What will the new models be like? No accurate news on that, either. But look for great things from SERVEL, the GAS or BUTANE refrigerator. It was great before the war, but it will be even finer, more efficient, more economical, after the war. No moving parts to wear, to get noisy, to lose their efficiency—nothing but a tiny gas or butane flame. Plenty of them right around here that have been in steady service for 10, 12, 14 years—and still doing exactly the same fine job they did the very first year. No moving parts—nothing to wear!

#### WHO?

Who'll get the first Servel Butane Refrigerators? YOU will—IF you place that order NOW, with a small deposit. We're now taking orders on Servel Butane-operated Gas Refrigerators, delivery as soon as available, first come first served.

#### HOW MANY?

Not many, at first, for civilians. Like automobiles, lots and lots of mechanical refrigerators have been wearing out, during the past few years, and will have to be replaced. And, like automobiles, the essential users will have first call—hospitals, laboratories, etc. A lot of them will be needed for that. Don't wait. If you want to be among the first civilians to have a Servel Butane-operated Gas Refrigerator—ORDER NOW!

#### HOW GLAD?

And next summer, will you be glad you did? When you're eating ice cream every day! When you always have plenty of ice cubes—ice water, iced tea, iced coffee, iced lemonade—day after day! When you see how it saves on the grocery bill, by keeping left overs—and by letting you buy large size cans! When you see how it keeps milk, cream and butter! When you see how it keeps you in fresh meat—week after week!

Be the First! Place Your Order for a Postwar Model SERVEL Butane-operated Gas Refrigerator—NOW!

—We have recently installed a large BUTANE STORAGE TANK so that we might be able to give the Hamlin Territory better service. We are also opening an APPLIANCE STORE in Hamlin and will carry a complete line of BUTANE AND NATURAL GAS APPLIANCES.

## FARM TELEPHONE SERVICE over electric power lines

You've heard about a way to send telephone conversations over electric power lines, called "power line carrier." It's just *one* of the many ways the telephone company plans to extend and improve telephone service to farmers when the wartime job eases up. Here's how it works:

A talking current from the telephone central office uses the same wire that carries current for power and light. Near the farmhouse, a "carrier coupler" takes the telephone current off the power line, and standard telephone wires carry it to the house.

The telephone itself is a modern handset instrument. It's attached to a special equipment box that looks like a small table radio.

In many cases, power line carrier may prove more practical than building new telephone lines. In other cases, other methods may be more suitable—such as the use of new high-strength steel wire which takes fewer telephone poles and has greater resistance to storms. Telephone men are exploring every means of making farm telephone service better and easier to get.

## POT-SHOTS FROM MCCAULEY

BY GEO DARDEN

Pfc. W. T. Lawlis and wife are on their delayed honeymoon. Yes, W. T. has arrived from Germany, so they have left the kids with Ma and Pa and are out to see all the folks and have a big time. W. T. wears the Presidential Citation, two battle stars, and is expecting a third star from his Austrian battles. And maybe so go to the Pacific and maybe so no. Personally, we think he has had enough, but Uncle Sam does not always do as this scribe thinks—we have noticed. Any way we are all glad the ole boy is home with his wife and two "cute" sons.

Mrs. W. H. Pickron, Jr., formerly Bess Darden of McCauley, is now employed at the Waggoner Drug Co. in Hamlin, and naturally she would like to see her McCauley friends when in town (meaning Hamlin).

Pfc. Louis Earl Madden has left for overseas service. He had been stationed at Hobbs, N. M., for quite

some time. Mrs. Madden is back in this community to make her home until her husband returns.

Talked to Miss Gertie Mason, and she tells us that she visited her brother, Ed, in an Abilene hospital last week and that his condition was improved.

Jack Wicker of the U. S. Army is home on leave. He recently returned from Germany and France. He is the son of Mr. and Mrs. E. Wicker of McCauley. Jack looks fine and healthy and is glad to be home. He will report to Ft. Sam Houston for reassignment.

Miss Velma Lou Boyd is home with her parents after serving several weeks as art instructor in a summer camp.

Ed Lewis of the U. S. Navy is spending a few days' leave with parents, Mr. and Mrs. Johnnie Lewis of McCauley. Unable to see Ed thus far and will try to get a story later.

Mrs. C. E. Dick, Jr. of Plainview is playing special numbers on her accordion each night at the revival meeting. She is very talented and her numbers alone are worth the price of admission. The admission price is not in dollars and cents, so come and bring your friends. Come as you are—in overalls or evening gown—you are welcome.

Mr. and Mrs. Merle Mason of Dallas spent last week end in the home of his mother and sister in McCauley. They also visited Ed Mason who is undergoing treatment in Abilene.

Mr. and Mrs. Reese and son of Dallas are visiting her mother, Mrs. M. M. Sewell, south of town.

Mr. and Mrs. W. A. Cunningham and children of Fort Worth visited her sister, Mrs. Wayne Webb and family in McCauley last week.

Coast Guardsman Cyril Brown is home on leave with his wife and baby. He is the son of Mr. and Mrs. I. N. Brown. We understand that at present, Cyril is a light-house keeper off the coast of Florida.

Mrs. C. E. Dick, Jr. is visiting his parents, Rev. and Mrs. C. E. Dick. She is making her home in Plainview, Texas, until the husband returns from war. He is in the Navy and is on duty in the South Pacific.

C. D. Jones tells us that their soldier boy, Bennie Ray, is expected to get a leave soon and will be home on a visit. Bennie Ray is stationed down in South Carolina and is carried away with Army life.

Wayne Webb and L. C. (Tubby) Houghton carried this "scribe" a shade fast last Sunday afternoon at the singing. Steam roller tactics—we call it. Any way there will be singing each 1st and 3rd Sundays at the Baptist Church. Come.

Mrs. W. L. Curry of Cisco spent

last week end in the home of parents, Mr. and Mrs. S. E. Miers. Mrs. Curry is the former Edna Miers of this community.

The McCauley school is being repainted on the inside, and school will open in September. Exact date will be given in a later issue of this paper.

The Baptist meeting began last Sunday, with the pastor filling the pulpit the first two services. The meeting will last two weeks with the Rev. Johny Cohen doing the preaching and leading the choir.

### Comment No. 1

The Texas Regulars have disbanded, so state the newspapers. We see where the Democrats are going to have a big Jefferson Day Dinner at Austin, and all the big-wigs of the party will be there. Senator "Pappy" is to be invited, provided he goes to the "mourners' bench before he is seated. If we had anything to do with it, "Pappy" would stay at the mourners bench from now on. A fellow is either a Democrat or he is something else. "Pappy" is something else.

The junior Senator (meaning Pappy) tells the Press that he is coming back to Texas on their recess to inform the folks of all the graft in Washington—but he states that it is not as bad now as it was under the New Deal. Perhaps he wishes to leave the impression that he has cleaned house. Wonder if Pappy will visit Houston? We imagine he and the "Regulars" will be a long time in forgetting their reception in that city. Bolting the party, and then coming back and asking re-election from the same voters gives us the stomach ache.

We may expect to hear some

### Grateful For Flowers

To whom it may apply: We deeply appreciate the bountiful floral offering sent from "Our Friends" at Hamlin to the funeral of our son and brother, Captain Tommy Monroe, at Houston, July 25. To such persons, we express our sincere thanks.

Mrs. Della J. Monroe  
F. LaPhon Monroe

Editor's Note: Captain Tommy Monroe met his death at Wilmington, Del., July 20, while on a flying project. Approaching the field for a landing, his plane hit a high line. Captain Monroe had served overseas as a cargo pilot. He had visited his mother, Mrs. Della J. Monroe, and his brother, LaPhon Monroe, in Hamlin twice. His mother now is living in Denton. The young officer had been married two years.

mournful tales from the Regulars as they make their plea for reelection on the Democratic ticket and as always, a lot of folks will fall for the line. You may put this in your pipe and smoke it, neighbor: The politician who strays from the "fold" and then tries to come back, meek as a lamb in order to swing the

### In Appreciation

Words seem inadequate in attempting to express our appreciation to the Church and friends for tender administration, devotion, the various loving deeds manifested during the continued illness and passing of our husband and brother. For the deeds of love and consolation that have and are, yet, shown for us; for the comforting words of Bro. Lynch and others; for the lovely flowers, and the beautiful songs rendered, our hearts full of overflowing with an inexpressible gratitude to you all. God's richest be with you always in our prayer.

crowd, is either a "dumb cluck" else takes us citizens for a bunch of saps. We had better keep our feet to the ground or get ready for a "bum steer" after the first of year. Even a "whipper-snapper" figure out a few things—even takes all the Jumbo nickel and cedar pencils in town.

## 'Think on these things'

### What It Means To Preach Christ

If one should inquire further, what did Philip preach about the kingdom when he preached Christ, the answer can be found by looking at certain scriptures which set forth some principles about the kingdom, clearly and positively.

I. The nature of the Kingdom of Christ is spiritual, not earthly. Jesus answered, "My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence." (John 18:36)

"And being asked by the Pharisees, when the kingdom of God cometh, he answered them and said, The kingdom of God cometh not with observation: neither shall they say Lo, here! or there! for lo, the kingdom of God is within you." (Luke 17: 20, 21)

"For the kingdom of God is not eating and drinking, but righteousness, and peace, and joy in the Holy Spirit." (Rom. 14:17)

II. That kingdom began on Pentecost and is in existence now "And as I began to speak, the Holy Spirit fell on them as it did on us at the beginning." (Acts 11:15)

(1) The Holy Spirit came in the beginning. "But ye shall receive power when the Holy Spirit is come upon you." (Acts 1:8)

(2) With the Holy Spirit in the beginning came the Power. "And he said unto them, Verily I say unto you, There are some here of them that stand by, who shall in no wise taste of death, till they see the kingdom of God come with power." (Mark 9:1)

(3) With that power came the kingdom in the beginning.

(4) Therefore with the coming of the Holy Spirit, in the beginning, came the kingdom. In Acts 2, the record is given of the coming of the Holy Spirit on the day of Pentecost, hence that day of Pentecost marks the beginning of the kingdom.

III. The present existence of the kingdom is shown by its inseparable connection with

(1) The New Birth.

"Jesus answered and said unto him, Verily, verily, I say unto thee, Except one be born anew, he cannot see the kingdom of God. Nicodemus saith unto him, How can a man be born when he is old? Can he enter a second time into his mother's womb, and be born? Jesus answered, Verily, verily, I say unto thee, Except one be born of water and the Spirit, he cannot enter into the kingdom of God." (John 3:3-5)

Therefore, no new birth now if no kingdom now.

(2) Conversion.

"And said, Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven." (Matt. 18:3)

Therefore, no conversion now if no kingdom now.

(3) When our sins are washed away by the blood of Christ, we are in the kingdom.

"And from Jesus Christ, who is the faithful witness, the first born of the dead, and the ruler of the kings of the earth. Unto him that loveth us, and loosed us from our sins by his blood; and he made us to be a kingdom, to be priests unto his God and Father; to him be the glory and the dominion for ever and ever. Amen."

(4) When we are delivered out of the kingdom of darkness, we are translated into the kingdom.

"Who delivered us out of the power of darkness, and translated us into the kingdom of the Son of his love." (Col. 1:13)

Therefore, if the kingdom has not yet come, then men are still in the kingdom of darkness.

(5) The Lord's Supper is in the kingdom. (Luke 22:29)

Therefore, if no kingdom yet, then the Lord's Supper cannot be properly observed.

(More to follow)

Attend the Church of Christ. Bring the whole family.
